

## Conditions regarding payment of membership and tuition fees

- The membership fee needs to be paid in full, either for a four week or thirteen week period in advance. You can do this by pin or cash.
- The renewed membership will be extended, by four or thirteen weeks, always starting on the date the old one ended! Even if your son/daughter had missed some lessons. Because your son/daughter had a reserved place in his/her swimming group, the lessons must always be paid for, even if there is a valid reason for missing the lesson.
- In exceptional circumstances Sportfondsen Wassenaar can give you an exemption from your payment obligation (see clause 6 of the General terms and Conditions.)
- If you don't fulfill the payment obligation, the management has the right to deny your child access to the swimming lessons, until the amount due is paid in full.
- Membership fees will not be reimbursed, but the value of your valid swimming lesson membership can be converted into single entries for recreational swimming.
- The swimming lesson rates will be set each year, on the first of January.
- **When you wish to cancel your membership, you must notify us, 4 weeks in advance, by way of email to [sterrenbad@sportfondsen.nl](mailto:sterrenbad@sportfondsen.nl) (or letter.)**
